

The Range Croquet Club, Maleny Report 010419

Thursday saw no play on the lawn because of inclement weather. This however is good for the grass which we want to be in great shape for the regional tournament to be played here on the 9th and 10th of April.

Sunday saw the first good weather for a while and Vince Carbery and Frances Harper used the time well to find the hoop holes for the half courts in preparation for the visit by the Range Care group this Tuesday.

The photograph shows Priscilla Vickers our club secretary roqueting her partner ball in a game against Stuart Craig. She has just made hoop one back with red and will use the yellow ball to approach hoop two back to make it. Close inspection of the photograph will allow you to form an opinion as to whether or not she made the roquet by hitting the yellow ball with the red. She did and went on to make two back making a nice break and having a good turn.

Coaching for beginners and others is available on the lawn from 8 am to 10 am on Saturdays. These are popular sessions in a friendly, relaxed atmosphere.

Play days on the picturesque lawns at the bottom of the showground are, it being summer, 2.10 pm for 2.30 pm on Thursdays and Sundays.

For details contact Vince Carbery 54942193 (president), or Priscilla Vickers 54943555 (secretary).
