

MALENY UNITING CHURCH BOOK CATALOGUE

1 1000 World Prayers

Marcus Braybrooke

This treasure store of prayer draws widely on many of the world's great religious and spiritual traditions and focuses on contemporary concerns. It is intended for people seeking to deepen and broaden their spiritual lives and also for those who lead public worship or school assemblies and are searching for material.

2 30 Days to Understanding the Bible

Max Anders

Max Anders' updated classic resource for learning the Bible in 30 days. Understand the Bible in 30 Days includes all the features that made the original so popular plus much more. Proven effective by over 200,000 readers, Understand the Bible in 30 Days introduces you to key Bible characters, places, and events in chronological order so that you can \"think your way through\" the entire Word of God. Through interesting, memory-enhancing exercises, Understand the Bible in 30 Days acquaints readers with the core teachings of Scripture in just 15 minutes a day!

3 40 Days

John (?) Grinoroo

4 40 Object Sermons for Children

Joe E. Trull

Written and designed to ease the pastor's or teacher's task of relating effectively to children, this book utilizes objects which are familiar to children and language which they can comprehend. The large type, with each object lesson appearing on facing pages, allows for easy reference when presenting the lesson.

Dr. Trull presents forty children's sermons, plus guidelines for successfully preparing and delivering them. He maintains that children, like play dough, are easily molded and shaped. A children's sermon can therefore be a powerful stimulus for developing a child's spiritual awareness and his appreciation of worship as a family experience.

6 Acting on Conscience

Frank Brennan

How Can We Responsibly Mix Law, Religion And Politics?

Is there a place for personal beliefs in public life? Is a Catholic health minister in a fit position to legislate on women's issues such as the right to an abortion pill? When the prime minister invokes church leaders' support in going to war with Iraq - and those church leaders tacitly approve this - is there a moral issue at stake? In *Acting on Conscience* Jesuit priest, human rights lawyer and academic

Frank Brennan tackles these issues head on. He explores some of the legal, moral and ethical issues that capture the public imagination - and critically examine the figures in public life who pass judgement on them. Issues covered include: The War in Iraq, Same-sex marriage and parenting, Late-term abortion, Politics and the judiciary. Through detailed analysis of examples from both Australia and the US, Brennan asks: Is there a place for personal beliefs in public life? As citizens and voters, how can we ensure that in the future, our leaders will speak for us - but not out of turn? 'In an age of fear and bigotry here is a welcome book of courage and conscience.' SENATOR BOB BROWN, Australian Greens

- 32 **Care & Feeding of Volunteers, the** Douglas W. Johnson

FaithSongs includes everything needed to teach and use music with children in choir, worship, and Sunday school. FaithSongs was created to enhance the participation of children in worship through the gift of music. In the midst of their busy lives children need to hear and learn songs that remind them to \"Be Still and Know,\" to \"light one Candle for Waiting,\" and to say \"How Majestic is Your Name.\" With 125 songs, FaithSongs includes a wide variety of songs and musical styles including traditional children's songs, praise and worship songs, global songs, movement songs, hymns, and spirituals. The practical helps and ideas found in the Leader/Accompanist Edition were written by people who work with children every week in choirs and Sunday schools. Split-track recordings allow use of CDs as a listening tool, teaching tool, and accompaniment track.

- 33 **Case for Faith, the** Lee Strobel

A Journalist Investigates the Toughest Objections to Christianity

In his #1 best-seller The Case for Christ, legally trained investigative reporter Lee Strobel examined the claims of Christ, reaching the hard-won verdict that Jesus is God's unique son. But despite the compelling historical evidence that Strobel presented, many people grapple with serious concerns

about faith in God. As in a court of law, they want to shout, "Objection!" They say, "If God is love, then what about all the suffering in our world?" Or, "If Jesus is the door to heaven, then what about the millions who have never heard of him?" Or, "If God cares for everyone, then why does he eternally torture some in hell?" In *The Case for Faith*, Strobel turns his tenacious investigative skills to the most persistent emotional objections to belief--the eight "heart" barriers to faith. *The Case for Faith* is for those who may be feeling attracted to Jesus but who are faced with formidable intellectual barriers standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in discussing Christianity with even their most skeptical friends.

39 **Choosing God's Best**

Dr. Don Raunikar

Wisdom for Lifelong Romance

Make a God Choice, Not Just a Good Choice Many Christian singles today are in pain. Wounded from past relationships, overwhelmed at being single longer than they expected, devastated at finding themselves single again. Eighteen- to sixty-year-olds will welcome the timely, biblically based approach Dr. Raunikar offers as he encourages them along the path to Choosing God's Best: healing from the past; learning how to avoid the pain of "counterfeit oneness" physically, emotionally, and spiritually; and much more. This attractive, repackaged edition delves into the real issues Christian singles face today and offers sound, proven advice for creating deeply satisfying godly relationships. Who's Your Matchmaker? Disillusioned by dating? Tired of being let down? It may be time to visit the ultimate Matchmaker. No matter what your age or past, it's never too late to trust God and choose His best for your future. Dr. Don Raunikar delves into the real issues to offer proven, biblical principles for

creating godly relationships and a deeply satisfying courtship. Read this book—and be ready for romance God's way. "Dr. Don Raunikar offers hope for the single man or woman who is disillusioned with the modern dating scene. Drawing upon time-tested biblical principles, Dr. Raunikar makes a convincing case for the benefits of a courtship based on God's wisdom, versus a dating relationship based on man's." Bill Bright Founder, Campus Crusade for Christ International "I feel like Choosing God's Best was written specifically for me. Few would argue that the current system of dating isn't in desperate need of reform. Dr. Raunikar goes even further with his radical, biblical solution to the perils and pitfalls of dating. Thanks, Dr. Raunikar, for being a radical." Derek Webb Singer/songwriter "I'm so glad to see a book addressing what I've called the 'dating mess.' Choosing God's Best is straightforward and scriptural. I especially appreciated the explanation of the categories of dating, which are seldom understood." Elisabeth Elliot Author and speaker "I wish this book had been around when I was dating. So much pain, so many missed opportunities, and so many mistakes could have been avoided if I had used these principles." Steve Arterburn Founder and chairman, New Life Ministries Story Behind the Book Dr. Don Raunikar was a professional therapist specializing in singles' issues. He wrote Choosing God's Best as a result of discovering the common frustrations and desires of his patients, combined with his own experiences before he was married. Originally published in 1998, the book continues to serve as a timeless message for singles. Still changing lives to this day, this repackaged edition will reach an even broader, untapped market with the hope of God's truth and His promise for healthy relationships. From the Trade Paperback edition.

- The heavenly Father's love : love that lasts --
- The presence of the living Christ --
- The certainty of divine providence : what do we need to fear? --
- The Christian view of death --
- The promises of Heaven.

44 Christian worship,: Its history and meaning Horton Davies

The purpose of this valuable book is to show the interested reader that forms of public worship didn't just grow, or appear as the result of the contrivance of certain imaginative individuals. Rather, Christian worship has a history of growth and development relative to the needs of the people through the ages. Dr. Davies traces this history, analyzes the meaning of the various forms of worship, and sets forth the human situation and need to which they are relevant, as much today as in days that have passed. He also discusses private and common prayer, chants, anthems and hymns, and gives his answer to the questions about why men go to church and worship at all. The book is well written in popular style for Protestant Christians especially. Laymen especially will find it helpful in making their own worship more real. The author is Professor of Religion at Princeton University.

Grace Ramquist

47 Christology in the Making

James D. G. Dunn

A New Testament Inquiry Into the Origins of the Doctrine of the Incarnation

This text is designed for students and academics studying the doctrine of the incarnation. James Dunn clarifies in detail the beginnings of the belief in Christ as the Son of God and discusses the historical context of such beliefs. Exploring key titles and passages within the New Testament, he argues that the incarnation cannot simply be understood in terms of the \"myth of heavenly or divine being come to earth\", but should be grounded in the New Testament context of meaning.

56 **Desire of Ages, the**

Ellen G. White

According to Wikipedia: "Ellen Gould White (born Harmon) (November 26, 1827 to July 16, 1915), born to Robert and Eunice Harmon, was an American Christian leader whose ministry was instrumental in founding the Sabbatarian Adventist movement that led to the rise of the Seventh-day Adventist Church. Supporters of Ellen G. White regard her as a contemporary prophet, even though she never claimed this title for herself. Support for her role is usually expressed in the language that she exhibited the spiritual gift of prophecy as outlined in the New Testament. Her restorationist writings showcase the hand of God in Christian history. This cosmic conflict, referred to as the "great controversy theme", is foundational to the development of Seventh-day Adventist theology. Her involvement with other Sabbatarian Adventist leaders, such as Joseph Bates and her husband James White, would form what is now known as the Seventh-day Adventist Church. White was a controversial figure even within her own lifetime. She claimed to have received a vision soon after the Millerite Great Disappointment. In the context of many other visionaries, she was known for her conviction and fervent faith. Randall Balmer has described her as "One of the more important and colorful figures in the history of American religion". White is the most translated female non-fiction author in the history of literature, as well as the most translated American non-fiction author of either gender. Her writings covered theology, evangelism, Christian lifestyle, education and health (she also advocated vegetarianism). She was a leader who emphasized education and health, and promoted the establishment of schools and medical centers. During her lifetime she wrote more than 5,000 periodical articles and 40 books; but today, including compilations from her 50,000 pages of manuscript, more than 100 titles are available in English. Some of her more popular books include Steps to Christ, The Desire of Ages, and The Great Controversy."

57 **Devotions for the Childrens Hour**

Kenneth N. Taylor

Prepare your children to stand strong in this age of questions and contradictions. David and Goliath. Noah and the ark. Jonah and the whale. Children love stories of Bible characters. Yet they need more than just the stories. They need to understand the truths that lie behind these stories. Truth that will answer tough questions such as: Who is God? What if I'm a Christian and I still sin? What does God want me to do? Why did Jesus have to die? How will I know if others love Jesus? For many years, Ken Taylor has been giving children this biblical foundation through his books. While containing profound truth, they are written in simple and plain language that kids can understand. Full of stories and straight talk and complete with suggested Bible reading, questions for thought, relevant prayers, and songs to sing, Devotions for the Children's Hour will give your children the head start they need to stand on the Rock of Salvation in this shaky world.

64 Each New Day Corrie ten Boom

365 Reflections to Strengthen Your Faith

Now with a new foreword by Brother Andrew, *Each New Day* is a collection of short yet profound devotions for every day of the year from the heart of Corrie ten Boom. Based on incidents from Corrie's fascinating life, each entry illustrates scriptural principles and attests to God's faithfulness. The result is a year-long candid reminder of Christ's victory over sin, Satan, and death; of God's promises and care; and that each new day brings a chance to serve and love God more.

70 Encountering the New Testament

Robert W. Yarbrough, Walter A. Elwell

A Historical and Theological Survey

Studying the New Testament can be an exciting--and intimidating--experience. This readable survey is designed to make the adventure less daunting and more rewarding. Two experienced classroom teachers offer a new edition of their bestselling and award-winning textbook, now with updated content and a new interior design. Other distinguishing features include: abundant images, maps, and charts--all in full color; sidebars that address ethical and theological concerns and provide primary source material; focus boxes isolating key issues; chapter outlines, learning objectives, and summaries; study questions. Students of the New Testament will find this introductory text both informative and engaging. An accompanying website through Baker Academic's Textbook eSources offers a wide array of resources for students and professors. Resources for students include flash cards, self quizzes, and introductory videos. Resources for professors include discussion questions, suggestions for class activities, PowerPoint slides, an instructor's manual, and a test bank.

72 Endless Adventure, the

Roger Hicks

71 End of Reason

Ravi Zacharias

When you pray, are you talking to a God who exists? Or is God nothing more than your \"imaginary friend,\" like a playmate contrived by a lonely and imaginative child? When author Sam Harris attacked Christianity in Letter to a Christian Nation, reviewers called the book \"marvelous\" and a generation of readers--hundreds of thousands of them--were drawn to his message. Deeply troubled, Dr. Ravi Zacharias knew that he had to respond. In The End of Reason, Zacharias underscores the dependability of the Bible along with his belief in the power and goodness of God. He confidently refutes Harris's claims that God is nothing more than a figment of one's imagination and that Christians regularly practice intolerance and hatred around the globe. If you found Sam Harris's Letter to a Christian Nation compelling, the book you are holding is exactly what you need. Dr. Zacharias exposes \"the utter bankruptcy of this worldview.\" And if you haven't read Harris' book, Ravi's response remains a powerful, passionate, irrefutably sound set of arguments for Christian thought. The clarity

and hope in these pages reach out to readers who know and follow God as well as to those who reject God.

Robert W. Carter, Tas Walker

73 **Evolution Impossible**

John Ashton

12 Reasons Why Evolution Cannot Explain the Origin of Life on Earth

There is scientific evidence proving evolution cannot be responsible for life on Earth. It is time to question what biology text books and nature documentaries claim about our origins. Even Darwin admitted, I threw out queries, suggestions, wondering all the time over everything; and to my astonishment the ideas took like wildfire. People made a religion of them. Dr. John Ashton has dedicated 40+ years to teaching and researching science, and exposing the lack of proven evidence for Darwin's theories. In Evolution Impossible, he uses discoveries in genetics, biochemistry, geology, radiometric dating, and other scientific disciplines to explain why the theory of evolution is a myth. Discover for yourself: Why the fossil record is evidence of extinction, not evolution How erosion and sedimentation dates conflict with radiometric dating How the lack of transitional fossils undermines evolutionary notions Why living cells and new organisms do not rise by chance or random mutations Regardless of your level of scientific education, you will finish this book able to cite 12 reasons why evolution cannot explain the origin of life.

Angus Buchan

The story of a farmer who risked everything for God

Angus Buchan is a straight-talking South African farmer of Scottish extraction. His abrupt conversion startled friends of the explosive hard-drinking man. Angus's bold faith has carried him through droughts, family tragedies and financial crisis. He has seen wonderful miracles of provision and healing. In obedience to God's call he started preaching, which led into a healing ministry. He has also set up an AIDS orphanage and a 500-seat auditorium on his land. Still a farmer, he is now an international evangelist, travelling through Africa in a refitted yellow fire engine, and filling the largest venues in South Africa. He has visited Scotland several times in recent years on speaking tours. In

July 2006 he undertakes a UK-wide tour.

78 **Fall of the Human Intellect, The**

A. Parthasarathy

The first title in an ordered series of nine written works by A. Parthasarathy, and recommended as a "first read" introduction to Vedanta philosophy. Stress, depression, disease in individuals and militancy, vandalism, terrorism in societies is threatening humanity with extinction. The book traces back the source of this impending disaster to the continual neglect of the human intellect. It highlights the fundamental difference between intelligence and intellect. Intelligence is acquired from schools and universities while the intellect is developed through one's personal effort in thinking, reasoning, questioning before accepting anything. The book is designed to develop the intellect and save humanity from self-destruction.

96 God Calling/God at Eventide

A. J. Russell

Two Classic Devotionals, for Morning and Evening Reading

Find out why millions have read and loved God Calling for more than 70 years with this special edition that includes a devotional sequel, God at Eventide! This powerful volume combines two beloved books God Calling, the classic 365-day devotional that inspired today's blockbuster Jesus Calling, and God at Eventide, a companion book designed to be read before bedtime. Begin and end your day with the encouragement and challenge of God Calling and God at Eventide, written as if God Himself is speaking directly to you. You'll soon learn why so many people love these books!

97 God in Dispute

Roger E. Olson

\"Conversations\" among Great Christian Thinkers

This volume creatively explores the history of Christian thought by imagining a series of twenty-nine dialogues and debates among key figures throughout church history. It traces the history of theology via such conversation partners as Augustine and Pelagius, Calvin and Arminius, Barth and Brunner, and Bultmann and Pannenberg. Each imagined dialogue includes a brief summary that introduces the figures under consideration, a more detailed assessment of the thinkers and theological issues presented, and a guide for further reading. This approach offers readers an entertaining, informative, and concise history of Christian thought.

99 Good Or God?

John Bevere

Why Good Without God Isn't Enough

These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice: good. Selfishness, arrogance, cruelty: evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

Gordon Dalbey

God's Restoration of Men to Real Manhood

In his groundbreaking book fifteen years ago, Gordon Dalbey identified the fact that men's souls have been torn between strength and sensitivity. Today, the situation is even worse. The politically correct crowd cries out for men to be more sensitive, to tame their masculine nature. On the opposing side, the media bombards men with "macho" images of violence and lust. Is it any wonder men are left bewildered about who they should be? In this newly revised and updated edition of *Healing the Masculine Soul*, Dalbey claims that there's hope for restoration, hope for healing—because Christ has come to heal us. God is calling men out to a relationship with Himself and calling them out to authentic manhood. "Our task is not to curse our manhood, but to redeem it," he writes. Gordon Dalbey's refreshing, comprehensive picture of God's design for the masculine soul dares men to be as God created them to be—not as society demands. Dalbey tackles the tough issues, including work, sexuality, marriage, and fatherhood. Book includes Study Guide.

113 Helper, the

Catherine Marshall

After an intense study of the Holy Spirit, Catherine Marshall wrote *The Helper*, detailing lessons she learned by living them out. She offers forty inspirational "helps," or readings, that contain Scripture, a prayer, and insight into the provocative third person of the Godhead. Also included are the answers Marshall discovered to questions like: Who is the Helper? How do I experience the Helper's presence? How does the Helper meet everyday needs? What is the Helper's role and function in the Church? The forty "helps" are ideal as a devotional guide for the forty days of Lent and for group or individual study. Just as the power of the Holy Spirit is needed every day to help us cope with the problems and complexities of life, so *The Helper* is a book for all seasons, with total sales of more than 1.2 million.

114 Helping The World to See

Kristine Robertson

111 He Remembered to Say Thank You

Victor Mann

The most popular children's Bible story series in the world! Generations of Christian children have learned the Bible through the lively poems and colorful illustrations of Arch Books. Parents trust these colorful books to teach their children Bible stories from Genesis through Acts in a fun, memorable way. The Arch Books series of 100 titles is conveniently divided into 8 sections that include related stories for an organized journey through the Bible.

**115 Holding Out for a Hero**

Lisa Harper

A New Spin on Hebrews

Holding Out for a Hero is the first in a series of book studies by emerging author Lisa Harper. Throughout the study, Lisa guides readers along the road to a more complete understanding of Hebrews as she discusses such timeless themes as trusting God in tough times, holding onto hope when life is hard, and the importance of running toward God when you feel like running away. This study helps readers understand what life was like for a Jewish Christian during the first century and parallels that to our own trials today. The book also features an interactive DVD in which Lisa leads a group of women through the study and addresses the reader personally.

**121 Humble Apologetics**

John Gordon Stackhouse

Defending the Faith Today

Publisher description: Is it still possible, in an age of religious and cultural pluralism, to engage in Christian apologetics? How can one urge one's faith on others when such a gesture is typically regarded with suspicion, if not outright resentment? In Humble Apologetics John G. Stackhouse brings his wide experience as a historian, philosopher, journalist, and theologian to these important questions and offers surprising--and reassuring--answers. Stackhouse begins by acknowledging the real impediments to Christian testimony in North America today and to other faiths in modern societies around the world. He shows how pluralism, postmodernism, skepticism about our ability to know the truth, and a host of other factors create a cultural milieu resistant to the Christian message. And he

shows how the arrogance or dogmatism of apologists themselves can alienate rather than attract potential converts. Indeed, Stackhouse argues that the crucial experience of conversion cannot be compelled; all the apologist can do is lead another to the point where an actual encounter with Jesus can take place. "Our objective," Stackhouse writes, "is to offer whatever assistance we can to our neighbors toward their full maturity: toward full health in themselves and in their relationships, and especially toward God." In the last part of the book, he shows how an attitude of humility, instead of merely trying to win religious arguments, will help believers offer their neighbors the gift of Christ's love. Drawing on the author's personal experience and written with an engaging directness and humility, Humble Apologetics provides sound guidance on how to share Christian faith in a postmodern world.

127 **Investigating Jesus** John Dickson

An Historian's Quest

How much can we really know about Jesus of Nazareth? How reliable are the Gospels and other sources and how widely have historians and theologians agreed on them? And how much does the historical record really matter? In this popular illustrated book, Australian scholar and TV documentary presenter, John Dickson, sets out to answer these questions. By reviewing ancient evidence, interviewing leading experts and setting out a robust historical method, he establishes clearly the reliability or unreliability of different sources, interpretations and arguments. Christianity prides itself on being an historical religion. John Dickson subjects this to very close scrutiny and shows both how vital

this is and yet how different Jesus was from the way he is so often portrayed today.

128 **Irresistible Revolution, the**

Shane Claiborne

Living As an Ordinary Radical

Living as an Ordinary Radical Many of us find ourselves caught somewhere between unbelieving activists and inactive believers. We can write a check to feed starving children or hold signs in the streets and feel like we've made a difference without ever encountering the faces of the suffering masses. In this book, Shane Claiborne describes an authentic faith rooted in belief, action, and love, inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world. Shane's faith led him to dress the wounds of lepers with Mother Teresa, visit families in Iraq amidst bombings, and dump \$10,000 in coins and bills on Wall Street to redistribute wealth. Shane lives out this revolution each day in his local neighborhood, an impoverished community in North Philadelphia, by living among the homeless, helping local kids with homework, and "practicing resurrection" in the forgotten places of our world. Shane's message will comfort the disturbed, and disturb the comfortable . . . but will also invite us into an irresistible revolution. His is a vision for ordinary radicals ready to change the world with little acts of love.

129 **Is Anyone There?**

David Watson

130 **It's Not About Me**

Max Lucado

Rescue From the Life We Thought Would Make Us Happy

There really is more to this life than you've been told. We've been demanding our way since day one ... "I want a spouse that makes me happy and coworkers that always ask my opinion." "I want weather that suits me and traffic that helps me and government that serves me." Self-promotion. Self-preservation. Self-centeredness ... "It's all about me." They all told us it was, didn't they? And we took them up on it. We thought self-celebration would make us happy ... But believing that has created chaos -- noisy homes, stress-filled businesses, cutthroat relationships. We've chased so many skinny rabbits, says Max Lucado, that we've missed the fat one: the God-centered life. If you want to shift into high gear with purpose, this is it: life makes sense when we accept our place! Our pleasures, our problems, our gifts and talents ... when they're all for the One who created us, we suddenly gain what we've been missing and find what we've been seeking. Let Max Lucado show you how to make the shift of a lifetime. How to bump your life off self-center. How to be changed and experience the meaning-charged life you were meant to have. Your discovery starts here.

131 **Jesus Christ For Today**

William Barclay

132 **Jesus I Never Knew, the**

Philip Yancey

There is no writer in the evangelical world that I admire and appreciate more. Philip Yancey helps reveal what two thousand years of history covered up. What happens when a respected Christian journalist decides to put his preconceptions aside and take a long look at the Jesus described in the Gospels? How does the Jesus of the New Testament compare to the new, rediscovered Jesus or even the Jesus we think we know so well? Philip Yancey offers a new and different perspective on the life of Christ and his work, his teachings, his miracles, his death and resurrection and ultimately, who he was and why he came. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers; a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. The Jesus I Never Knew uncovers a Jesus who is brilliant, creative, challenging, fearless, compassionate, unpredictable, and ultimately satisfying. No one who meets Jesus ever stays the same, says Yancey. Jesus has rocked my own preconceptions and has made me ask hard questions about why those of us who bear his name don't do a better job of following him.

135 **Jonathan Livingston Seagull**

Richard Bach

Because he spends so much time perfecting his flying form instead of concentrating on getting food, a seagull is ostracized by the rest of the flock.

146 Life at Its Best

Eugene H. Peterson

A Guidebook for the Pilgrim Life

A trilogy combining three popular books, *The Gift*, *The Journey*, and *The Quest* in one volume. *Life at Its Best* combines the full contents of Eugene Peterson's three previous books, all of which display his accessible approach to challenging subject matter and his inspirational outlook on the Christian life.

THE GIFT: In this deceptively simple, extraordinarily powerful book Peterson cuts through the social and religious conventions that have attached themselves to our understanding of Christian ministry and speaks words of wisdom and encouragement to those caught up in the busyness of church life.

THE JOURNEY: The pilgrim life leads us to God, but it goes against the stream of the world's hurried ways; we need to look elsewhere for encouragement and sustenance on the journey. Peterson explores the 15 psalms, known as the Song of Ascent, used by Hebrew pilgrims as they journeyed to Jerusalem for the great worship festivals.

THE QUEST: Peterson uses the book of Jeremiah to inspire a wide-ranging analysis of the human spiritual condition. For those who choose to live courageously rather than cautiously, *The Quest* paints a vivid picture of a practical and authentic spirituality for everyday living.

Here is Dr. Schuller's daily devotional with a page for every day of the year. There is a Bible passage to be read, a verse to be memorized, a thought to be pondered, and a brief message from Schuller to stimulate and motivate the reader to live a life of greater service. 50% discount.

149 Living Somewhere Between Estrogen and Death

Barbara Johnson

Barbara Johnson reveals her hilarious anti-aging remedy. "They say the best way to grow old is not to be in a hurry about it?and Lord knows, I've put it off for as long as I could," says Barbara. But old age happens without any effort on our part. If you're alive, you're getting older. So what happens when you find yourself between menopause and LARGE PRINT? This best-selling author offers a delightful recipe for living life to the fullest in your later years and spices it with loads of laughter. She shows how she came to her own decision to age ferociously instead of gracefully. *Living Somewhere Between Estrogen and Death* is a lighthearted and encouraging book on the joys and problems of growing older. You'll laugh at Barbara Johnson's zany insights on aging. From savoring the "here and now" to

preparing for our glorious future in heaven, Living Somewhere Between Estrogen and Death is your wise and witty guide to the joys and challenges of aging gleefully.

152 **Lord, Change Me** Evelyn Carol Christenson, Viola Blake

HOW TO BECOME THE CHRISTIAN YOU REALLY WANT TO BE Evelyn Christenson writes, \"I have discovered through the years that surprising things happen when I pray, 'Lord, change me--don't change my husband, don't change my children, don't change my pastor, change me!, . . . More and more the fact comes into focus that they, and not I, are responsible before God for their actions. But I am responsible for the changes that need to be made in me.\" Evelyn's fourteen-month spiritual adventure in learning how God changes people became the exciting story of this book. First published in 1977, \"Lord, Change Me!\" has surpassed one million copies in print and continues to help a new generation of Christian women--and men--experience the spiritual transformation God commands in Romans 12:2. \"Lord, Change Me!\" outlines seven methods of real, inside-out change as well as ways to check to be sure it is God who is doing the changing. And woven throughout are Evelyn's wonderfully transparent accounts of how God aught her and her loved ones these nuggets of truth.

**169 More Than a Carpenter**

Josh McDowell, Sean McDowell

His Story Might Change Yours

Josh McDowell's timeless examination of the true nature of Christ and his impact on our lives is one of the bestselling Christian books ever (more than eight million copies in print worldwide!) As a college student, Josh McDowell thought Christians must be \"out of their minds\". He put them down and argued against their faith. But eventually he saw that his arguments wouldn't stand up, that Jesus really was God in human flesh. Josh became a speaker on college and university campuses, challenging those who were just as skeptical as he had been. Here Josh focuses upon the person who changed his life - Jesus Christ. A hard-headed book for people who are sceptical about Jesus' deity, his resurrection, and his claims on their lives. 128 pages, from Living Books.

**170 Multiple Staff and the Larger Church, the**

Lyle E. Schaller

Larger churches are different--in expectations, in performance, in staffing, and in use of lay volunteers. Their unique differences require special handling. And that's what this first-of-its-kind book is all about. Expert Lyle Schaller helps the leaders of larger churches understand the special characteristics of these churches and helps members of multiple staffs see their role and the context of that role more clearly. Schaller fully describes the differences that mark the larger church of 700 to 1,000 or more members. He discusses the many alternatives of staffing: part-time vs. full-time, use of more volunteers, and the many duties that can be carried out by these staff members. Special emphasis is given to the role of the senior minister, the role of the associate minister, and to their relationship with one another. Since one-sixth of all congregations account for nearly half the total members of all churches in the United States, that one-sixth actually sets the pace for the religious life of the nation. The need for specialized help is imperative, and Lyle Schaller has provided that help in this important and useful book.

171 My Father Is the Gardener

Colin Urquhart

Considers Biblical mysteries such as enigmas of time, miracles, lost cities, strange gods, and ancient customs

172 Mysteries of the Bible

Reader's Digest Association

Winner of the Man Booker Prize 2014. A novel of the cruelty of war, tenuousness of life and the impossibility of love. August, 1943. In the despair of a Japanese POW camp on the Thai-Burma death railway, Australian surgeon Dorrigo Evans is haunted by his love affair with his uncle's young wife two years earlier. Struggling to save the men under his command from starvation, from cholera, from beatings, he receives a letter that will change his life forever. This savagely beautiful novel is a story about the many forms of love and death, of war and truth, as one man comes of age, prospers, only to discover all that he has lost. 'The Narrow Road to the Deep North is a big, magnificent novel of passion and horror and tragic irony. Its scope, its themes and its people all seem to grow richer and deeper in significance with the progress of the story, as it moves to its extraordinary resolution. It's by far the best new novel I've read in ages.' - Patrick McGrath 'Magnificent.' -- Michael Gorra, The New York Times 'Beyond comparison . . . an immense achievement . . . Wilfred Owen wrote of his Great War verse: \'My subject is war, and the pity of war. The poetry is in the pity.\' Flanagan's triumph is to find poetry without any pity at all.' - Geordie Williamson, The Australian 'A story of war and star-crossed lovers, the novel is also a profound meditation on life and time, memory and forgetting . . . a magnificent achievement.' - Katharine England, Adelaide Advertiser 'A masterpiece . . . The Narrow Road is an extraordinary piece of writing and a high point in an already distinguished career.' - Michael Williams, The Guardian

190 **Please Forgive Me**

the australian christian fellowship

191 **Pollution and the Death of Man**

Francis A. Schaeffer, Udo W. Middelmann

At the creation of the world, God gave mankind the responsibility to exercise dominion over the earth. Man was to use the earth and its abundance of resources to satisfy his physical needs, but he was also to care for the earth and its creatures as a wise and godly steward. Reading about endangered species or another oil spill will make it abundantly clear that the human race has failed miserably in its God-given mandate. How did we get to this point? Where should we go from here? This classic by Francis Schaeffer, now repackaged, looks at contemporary ecological crises through the lens of theology and Scripture. Renowned for his work in applied philosophy and theology, Schaeffer answers serious philosophical questions about creation and ecology. He concludes that we must return to a profoundly and radically biblical understanding of God's relationship to the earth, and of our divine mandate to exercise godly dominion over it. Repackaged and republished, *Pollution and the Death of Man* carries an important and relevant message for our day. With concluding chapter by Udo Middelmann.

Presents 17 puppet plays, based on Bible verses, which demonstrate Christian principles.

**193 Prayer**

Philip Yancey

Multi-award winning spirituality writer Philip Yancey is loved throughout the world for his honest, insightful and inspirational writing. PRAYER: DOES IT MAKE ANY DIFFERENCE? carries all the hallmarks of classic Yancey, a journalist by training. His quest to unravel the mysteries of prayer reads as the journal of a fellow traveller: questioning, challenging, lamenting the unexplainable and rejoicing in the discovery of awesome insights. His journey is beautifully illustrated with moving true stories drawn from around the world. PRAYER: DOES IT MAKE ANY DIFFERENCE? tackles the following questions: What is prayer? What difference does it make? Why and how should we pray? What about unanswered prayer? How should we understand prayer for physical healing? Focusing on such a universal theme, this is potentially Yancey's biggest book yet. To date, his books have sold over 14 million copies, and have been translated into 25 languages. His first book with Hodder, SOUL SURVIVOR, sold over 90,000 copies in just five years.

Baab you'll find new words and new ways to pray through the prayers of Mary, Simeon and Anna, Peter, Paul, John and Jesus himself. Their words and patterns can serve as rich models for us in our own conversations with God, helping us get out of our ruts and onto fresh new paths of prayer.

**199 Prison To Praise**

Merlin Carothers

Merlin R. Carothers is well-known throughout the Christian community. His books have sold over 19 million copies. His unique concept of "praise in all things" brings results that can only be termed miraculous. Merlin may be the only author to have served as a combat paratrooper in World War II, as a guard of General Dwight D. Eisenhower, and later as a Lt. Colonel in the U.S. Army Chaplaincy in Korea, the Dominican Republic conflict, and in Vietnam. During these conflicts Merlin Carothers leaned amazing things that changed his life. Many people who have read this book have come to enjoy a happiness they never expected to experience. Christians have been overwhelmed to learn that they can live in peace as they discover the secrets of a life of praise.

**200 Public Faith, a**

Miroslav Volf

How Followers of Christ Should Serve the Common Good

Covering such timely issues as witness in a multifaith society and political engagement in a pluralistic world, this compelling book highlights things Christians can do to serve the common good. Now in paperback. Praise for the cloth edition Named one of the \"Top 100 Books\" and one of the \"Top 10 Religion Books\" of 2011 by Publishers Weekly \"Accessible, wise guidance for people of all faiths.\"--Publishers Weekly (starred review) \"Highly original. . . . The book deserves a wide audience and is one that will affect its readers well after they have turned the final page.\"--Christianity Today (5-star review)

**201 Purpose Driven Church, the**

Rick Warren

Growth Without Compromising Your Message and Mission

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church shifts the focus away from church building programs to emphasizing a people-building process. Warren says, \"If you will concentrate on building people, God will build the church.\"\

**202 Purpose-driven Life, the**

Richard Warren

What on Earth Am I Here For?

Rick Warren helps readers to discover, develop, and fulfill God's purpose for their lives.

Reaching Out without Selling Out

Reformation is the continual reforming of the mission of the church to enhance God's command to reach out to others in a way that acknowledges the unique times and locations of daily life. This engaging book blends the integrity of respected theoreticians with the witty and practical insights of a pastor. It calls for a movement of missionaries to seek the lost across the street as well as across the globe. This basic primer on the interface between gospel and culture highlights the contrast between presentation evangelism and participation evangelism. It helps Christians navigate between the twin pitfalls of syncretism (being so culturally irrelevant that you lose your message) and sectarianism (being so culturally irrelevant that you lose your mission). Included are interviews with those who have crossed cultural barriers, such as a television producer, exotic dancer, tattoo studio owner, and band manager. The appendix represents eight portals into the future: population, family, health/medicine, creating, learning, sexuality, and religion. Mark Driscoll was recently featured on the ABC special The Changing of Worship.

Useful for pastors who advise and encourage women whose husbands do not share their faith, this book offers help and hope even in the most discouraging situations.

Belief in an Age of Skepticism

Arguing that most Americans are members of the Christian faith, a response to promoters of science and secularism addresses key questions about suffering, exclusivity, and the belief that Christianity is the only true religion. 50,000 first printing.

209 **Religion is for Fools! (Revised 2013)**

Bill Medley

As a religious sceptic, Bill Medley investigates the five major world religions: Buddhism, Christianity, Hinduism, Islam and Judaism, from a layman's perspective. He attempts to see what can be known, if anything, about a 'God' or an 'afterlife' from logic and tangible evidence. Originally written as a letter to his sister-in-law, in *Religion is For Fools!* he shares his findings with her and tries to address her objections. Bill Medley worked as a professional entertainer for fifteen years. His stand-up comedy routines sometimes included satires on religion. Here he gives it a more serious examination.

'Absolutely brilliant! ... If all those who argue over religion had a copy of this book it would revolutionise the relationship between me and my bank manager.' Bill Medley 'This book has dramatically changed my whole attitude towards typing.' Diana Medley (wife)

Kevin Springer

What Comes After Renewal?

211 **Ring of Truth**

J. B. Phillips

A Translator's Testimony

J.B. Phillips, best known for his translations of the New Testament, wrote *Ring of Truth* out of a deep concern for many Christians whose simple faith was being eroded by the widespread dissemination of views of certain modern scholars challenging the accuracy and reliability of the Bible. Phillips' experience in translating the New Testament convinced him that what is written in the Gospels, however much modern scholarship may try to explain it away, has indeed \"the ring of truth.\" In this personal statement of faith he shares the exciting discoveries he made in the course of translation, and his delight in them; he communicates the fruits of his scholarship and his intimate knowledge of the New Testament; but even more he offers his spiritual certainty to those Christians who may be bewildered by destructive tone of much writing about the Bible. The average Christian dismayed by such arguments will be reassured by this testimony of a New Testament scholar who is still convinced of the validity of the Bible and its relevance to contemporary life.

212 **Rumors of Another World**

Philip Yancey

What on Earth are We Missing?

Looks at both the visible and supernatural to search for faith, offering new perspectives on looking beyond what is visible to find meaning and purpose in life.

For Those Who Search

Do you want to know a secret? What's so secret about God? Nothing. And yet everything. Scripture tells us, \"the secret things belong to the Lord our God.\" God has secrets. Some to keep, and some to tell. And who doesn't want to know a secret? Most of us are filled with an incurable urge to discover secrets, to walk the higher and hidden roads. And it is our God, our wonderfully mysterious God, who has placed that yearning within us. He is the treasure we seek...the precious gem to be mined. So take the time to spend these one hundred concise, life-changing appointments with him. And discover incredible handholds of refreshment, courage, and endurance you can cling to in Secret Strength. From the Trade Paperback edition.

217 **Secure**

Rick Dunham

Discovering True Security in Turbulent Financial Times

Rick Dunham's Secure: Cuts to the heart of hot-button issues like money, stewardship, and tithing; Has decades' worth of biblical wisdom condensed in an easy-to-read, easy-to-digest format; Is conversational, down-to-earth, and personal; Is perfect for any life stage. God wants you to know true financial freedom. It's true! God passionately wants you to live in the genuine security of His care, fully trusting Him to provide for you. Yet there's only one way to find true security in turbulent financial times. In this powerful and personal work by author and business owner Rick Dunham, you'll see how real financial security isn't found in your pay packet, your possessions, or the size of your portfolio. By taking you on his personal journey that includes near financial disaster - and even a bout with cancer - Rick will share how you can experience the freedom and peace God gives only when you find your real security in Him.

218 **Seeds That Grew to Be a Hundred**

V. Mann

The most popular children's Bible story series in the world! Generations of Christian children have learned the Bible through the lively poems and colorful illustrations of Arch Books. Parents trust these colorful books to teach their children Bible stories from Genesis through Acts in a fun, memorable way. The Arch Books series of 100 titles is conveniently divided into 8 sections that include related stories for an organized journey through the Bible.

220 **Seven Days That Divide the World**

John C. Lennox

The Beginning According to Genesis and Science

What did the writer of Genesis mean by “the first day”? Is it a literal week or a series of time periods? If I believe that the earth is 4.5 billion years old, am I denying the authority of Scripture? In response to the continuing controversy over the interpretation of the creation narrative in Genesis, John Lennox proposes a succinct method of reading and interpreting the first chapters of Genesis without discounting either science or Scripture. With examples from history, a brief but thorough exploration of the major interpretations, and a look into the particular significance of the creation of human beings, Lennox suggests that Christians can heed modern scientific knowledge while staying faithful to the biblical narrative. He moves beyond a simple response to the controversy, insisting that Genesis teaches us far more about the God of Jesus Christ and about God’s intention for creation than it does about the age of the earth. With this book, Lennox offers a careful yet accessible introduction to a scientifically-savvy, theologically-astute, and Scripturally faithful interpretation of Genesis.

221 **Sex God: Exploring the Endless Questions Between Spirituality and Sexuality** Rob Bell

Sex God, Rob Bell's follow-up to the bestselling Velvet Elvis, tackles the controversial relationship between sexuality and spirituality. Published as part of the Rob Bell Classic relaunch, Sex God explores the links between love, sex, and God.

222 **Shaping of Things to Come, the**

Alan Hirsch, Michael Frost

Innovation and Mission for the 21st-Century Church

In a time when the need for and the relevance of the Gospel has seldom been greater, the relevance of the church has seldom been less. The Shaping of Things to Come explores why the church needs to rebuild itself from the bottom up. Frost and Hirsch present a clear understanding of how the church can change to face the unique challenges of the twenty-first century. This missional classic has been thoroughly revised and updated.

223 **Smile on the Face of God**

Adrian Plass

The inspiring story of one man's journey through extremes of light and darkness to reach a place where he can be a smile on God's face for many people. Confined to a wheelchair, Philip Ilott's life radiates the compassion of a caring God, despite overwhelming odds. Philip's spirituality also clearly demonstrates that God has not put all his denominational eggs in one basket

**225 Spiritual Man (1), the**

Watchman Nee

Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry.

**229 Streams of Living Water**

Richard J. Foster

Celebrating the Great Traditions of Christ

The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today. In this landmark work, Foster examines the "streams of living water" in the six dimensions of faith and practice that define Christian tradition. He lifts up the enduring character of each tradition and shows how a variety of practices, from individual study and retreat to disciplines of service and community, are all essential elements of growth and maturity. Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these "streams."

232 Thank God It's Thursday

William H. Willimon

Encountering Jesus at the Lord's Table as if for the Last Time

Thank God It's Thursday is the prequel to bestselling author Will Willimon's highly successful, Thank God It's Friday. Following the book of John, Will Willimon focuses on the Jesus' teaching of his disciples prior to his own death but also before their own hour of decision. The climax of the Gospel is when Jesus pours out his life on the cross—surely an enactment and demonstration of the power of God's self-sacrificial love. So to sustain and fortify his followers for the difficulties ahead, Jesus prepares them by teaching and offering sacraments of self-giving,, through which they (and we) experience the grace and presence of the risen Lord. This book can equip Christians to face their hardships as they humbly serve with the promise of God's abiding presence already made good by his outpouring of sacrificial love. Written with the clarity, depth, and insight that are Will Willimon's trademark, this book offers afresh the challenge and grace of the message of the Resurrected One.

234 This Is Christianity For Students

Peter Cotterell

235 Three Revolutions

Robert B. Crotty

Three Drastic Changes in Interpreting the Bible

The author describes the drastic changes or revolutions that have occurred in the interpretation of the Bible during his own lifetime. The author uses his own experiences to describe these revolutions and to reflect on what consequences they have had for his own life-story. The first revolution was the introduction of the historical-critical approach. The Bible was interpreted as historical in a broad sense, not in all its details. In a Roman university the author later found that this broad historical verification of the Bible became more and more problematic. The second revolution is described as the Bible as Literature methodology. This approach puts aside his-tory and examines the Bible as a clever and subtle literary document which has controlled religious belief and practice but cannot be substantiated as historical fact. There was a third revolution. Within the secular university scene, the author became involved in the study of anthropology and sociology. Judaism and Christianity were seen as religions

amongst other religions; their sacred writings were seen as sacred writings alongside others. The new approach forces him to rethink the history of Israel, the relevance of the Hebrew Scriptures and Judaism itself; he also has to rethink the history of Jesus, the relevance of the Christian Scriptures and Christianity. This life journey should be of interest to those working in the fields of biblical and religion studies.

**246 Way Into the Old Testament, a**

Anna Grant-Henderson, Charles Biggs

The book is an introductory text for those wishing to study the Hebrew Scriptures. It gives a general overview of the Old Testament and then goes through the different types of genre in the book. Ideally suited for those beginning to study the bible. Easy to read chapters with many complex issues set out simply for all those at senior high school level and beyond but who do not have theological degrees, it serves as a basic level text.

248 Waymarks

Peter Millar

Signposts to Discovering God's Presence in the World

Many people find the modern world a threatening place. Technologies than can control life, social and moral changes, ethnic tensions and other events that dominate our daily news often make the world seem an alien place. Yet for all its failings, it is God's world and Waymarks teaches us to recognize and celebrate his presence and activity, even where we least expect it. Waymarks explores the ways in which life's difficult challenges can be transformed into 'moments of possibility', where we can co-operate in bringing good even out of seemingly hopeless situations. These include attentiveness to

Scripture, sensing our interconnections with the earth and with each other, giving expression to our creative imagination, letting go in laughter and in tears, rediscovering prophecy, healing, confession, finding friendship with God and regaining the sense that life is provisional and death is part of the journey we are making. These themes have been developed in response to the many questions brought by countless visitors and pilgrims to Iona and they offer an authentic and practical spirituality for life in today's complex world.

247 **Way of the Shepherd, the**

Kevin Leman, William Pentak

7 Ancient Secrets to Managing Productive People

A heartwarming, contemporary parable, *The Way of the Shepherd* offers a fresh perspective on the art of leadership in this account of a cub reporter who lands the interview of a lifetime with the most respected CEO in America. Through the interview, the businessman shares seven proven management principles that, while ancient in origin, are readily applicable in today's fast-paced, high-tech world. Compelling and challenging, these uncommon, age-old principles require leaders to focus on their own hearts, character, and priorities, and to give their best in order to receive the best from others. Readers also discover insights and techniques for engaging and energizing their workforce, and for leading people in a way that helps them see their work as a calling rather than merely a job, as a place to belong rather than just a place to work. A concise story that's full to the brim, *The Way of the Shepherd* is a must-read for busy leaders at all levels who want to call forth greatness from the people around them by cultivating it in themselves.

249 **Weavings Caring**

253 **What's in the Bible about God?: What's in the Bible and Why Should I Care?**

Jeanne Torrence Finley

252 **What's So Amazing About Grace?**

Philip Yancey

In 1987, an IRA bomb buried Gordon Wilson and his twenty-year-old daughter beneath five feet of rubble. Gordon alone survived. And forgave. He said of the bombers, "I have lost my daughter, but I bear no grudge. . . . I shall pray, tonight and every night, that God will forgive them." His words caught the media's ear--and out of one man's grief, the world got a glimpse of grace. Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else--for only grace can bring hope and transformation to a jaded world. In *What's So Amazing About Grace?* award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Yancey sets grace in the midst of life's stark images, tests its mettle against horrific "ungrace." Can grace survive in the midst of such atrocities as the Nazi holocaust? Can it triumph over the brutality of the Ku Klux Klan? Should any grace at all be shown to the likes of Jeffrey Dahmer, who killed and cannibalized seventeen young men? Grace does not excuse sin, says Yancey, but it treasures the sinner. True grace is shocking, scandalous. It shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope. It

forgives the unfaithful spouse, the racist, the child abuser. It loves today's AIDS-ridden addict as much as the tax collector of Jesus day. In his most personal and provocative book ever, Yancey offers compelling, true portraits of grace's life-changing power. He searches for its presence in his own life and in the church. He asks, How can Christians contend graciously with moral issues that threaten all they hold dear? And he challenges us to become living answers to a world that desperately wants to know, What's So Amazing About Grace?

Ron Potter

255 **Where Is God When it Hurts/What's So Amazing About Grace?**

Philip Yancey

Award-winning author Philip Yancey takes you for a soul-searching look at two of Christianity's most important topics WHAT'S SO AMAZING ABOUT GRACE? In this critically acclaimed, bestselling book, Philip Yancey explores the church's great distinctive grace at street level. If grace is God's love for the undeserving, and if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Offering compelling, true portraits of grace's life-changing power, Yancey searches for its presence in his own life and in the church. And he challenges us to become living answers to a world that desperately wants to know, What's So Amazing About Grace? WHERE IS GOD WHEN IT HURTS? If there is a loving God, then why is it that ... ? You've heard that question, perhaps asked it yourself. No matter how you complete it, at its root lies the issue of pain. In this award-winning book, Philip Yancey reveals a God who is neither capricious nor unconcerned. Using examples from the Bible and from his own experiences, Yancey looks at pain'physical, emotional, and spiritual and helps us understand why we suffer. Where Is God When It Hurts? will speak to those for whom life sometimes just doesn't make sense. And it will help equip anyone who wants to reach out to someone in pain but doesn't know what to say.

**257 Who Moved The Stone?**

Frank Morison

259 Why?

Ray Barraclough

258 Why Am I Afraid to Love?

John Powell

Tradition has it that God's second commandment is that we should love one another. Why is it so hard? The capacity to love is in everyone. Yet so often it remains trapped and waiting to be released. In John Powell's best-selling Why Am I Afraid to Love, he carefully and sensitively confronts the barriers that restrain. He looks at the fear of rejection, the motives for love, how to truly understand the inner self and what true love looks like. He then considers the true test of love: can self be forgotten in loving others? Based on the original best-selling edition, this new book has been completely redesigned. A fitting companion to Why Am I Afraid to Tell You Who I Am?, it is one of the most original and popular self help books on the market. It sits comfortably alongside other classics like I'm OK, You're OK. Why Am I Afraid to Love has sold over 100,000 copies in its original edition.

The perfect gift for any Christian who is finishing school.

**263 You Lost Me**

Aly Hawkins, David Kinnaman

Why Young Christians Are Leaving Church...and Rethinking Faith

Close to 60 percent of young people who went to church as teens drop out after high school. Now the bestselling author of unChristian trains his researcher's eye on these young believers. Where

Kinnaman's first book unChristian showed the world what outsiders aged 16-29 think of Christianity, You Lost Me shows why younger Christians aged 16-29 are leaving the church and rethinking their faith. Based on new research, You Lost Me shows pastors, church leaders, and parents how we have failed to equip young people to live \"in but not of\" the world and how this has serious long-term consequences. More importantly, Kinnaman offers ideas on how to help young people develop and maintain a vibrant faith that they embrace over a lifetime.

264 Your Bible and You

Lawrence Maxwell Arthur Stanley Maxwell

265 Your Church Can Grow

C. Peter Wagner

Seven Vital Signs of a Healthy Church

Is your church healthy and growing or stagnant and dying? If your church is afflicted with remnant theology, spiritual naval gazing, pastoral timidity, hyper-cooperativism, or terminal ethnikiitis, changes are it's already dying on the vine. On the other hand, if your church is growing it's probably ad healthy church. \"Healthy churches, like healthy people,\" says the author, \"exhibit certain vital signs.\" Wagner has his own list of 7 \"signs\" that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and/or don't exhibit those signs. - Back cover.

266 Your Spiritual Gifts Can Help Your Church Grow

C. Peter Wagner
